Production Schedule
Production date will normally be within **7 days** from receipt of design **approval** or order for repeat designs. Each design is a separate wafer order, multiple pack options can be selected within the same order.

Information for your personalised wafer design...

- The wafer is 65mm diameter with a maximum print area of 48mm diameter in the centre.
- As a default, image/logo/text will be printed at the top of wafer so visible when in ice cream, select 'centred' if required in centre of wafer
- Please ensure your design is in black & white bitmap or failing that is only one colour
- Send your design by email (faxed copies are not acceptable) as a jpg, bmp (600dpi), pdf or psd file
- All printing is in black edible ink
- All new designs will be returned for approval before production, this can take up to 10 days.
