Information for your personalised wafer design...

- The wafer is 65mm diameter with a maximum print area of 48mm diameter in the centre.
- If the wafer is to be inserted in ice cream you may prefer to have the design positioned so that it is fully visible when served
- Please ensure your design is in Black & white bitmap or failing that is only one colour
- Send your design by email (faxed copies are not acceptable) as a jpg, bmp (600dpi), pdf or psd file
- All printing is in brown edible ink
- All new designs will be returned for approval before production, this can take up to 10 days.
